

Our offer to you:

Join QE Taxis today and take advantage of our current reduced base fees!!

About us:

QE Taxis is an integral part of Aerial Capital Group, Canberra's longest serving taxi company. Aerial has a well-established reputation and has created relationships with loyal repeat customers, allowing for a consistent workflow. Aerial's dedicated and proactive marketing team are continuously working to evolve these relationships and find new and innovative ways to approach new and existing customers. Working with operators and drivers is a fundamental aspect of achieving these goals. The marketing team looks forward to working with you to secure the future of the taxi industry.

Would you like:

- Access to more work, including work within Canberra and major account bookings, plus a chance of gaining permanent runs.
- 24/7 security including in car Cameras, panic alarms that alert a 24/7 operational call centre and GPS tracking
- Access to the most up to date dispatch systems, information portals and 24/7 assistance, including workshop during business hours.

You will be Queanbeyan branded but you will gain all of the benefits of working within a larger conjoined fleet.

Our offer:

- Low base fees with a new model coming.
 - due to these unprecedented times we have **temporarily reduced our base fees to \$150 (Incl GST) per week** in an effort to support operators and the taxi industry
- The new base fee model will be \$230 (incl GST) per week with a royalty charge on Aerial account work of 15% to ensure future marketing and growth opportunities.
- We handle the admin, allowing for a stress free experience and you get to focus on what matters, supporting our local community and their transport needs.

Would you like more information? Call 02 6126 1527

Introductory offer for all new operators, you will receive free labour on the fit out of your car.
